

Monitoring of Accessibility Plan

Following monitoring of the Accessibility Plan by the governors in Spring 2016 the following actions were identified.

At the present time the school has no child but there is a parent who needs a wheelchair.

Documents analysed

- Equality Duty – Compliance with Single Equality Act(SEA) report to governors 2010. Equality covered refers to disability, race, gender, anti-homophobic, faith, culture.
- Accessibility Plan 2015

Next Steps

- When appropriate display images of people with disabilities in a positive light.
- Signage for disability access to school by the side gate next to the staffroom.
- When work is undertaken to the new kitchen explore the issue of tight corners for people with disabilities
- Review school evacuation plans for all pupils and adults from the school.
- Review inclusive sports provision.
