Evaluation

Silver award achieved. Unable to access Gold as lack of numbers of children in year groups to support 3 teams in competitions. Playmaker awards achieved. Children took on and signposted a range of sports and lead on intra games. Different clubs accessed to develop knowledge, confidence and skills within PE.

To develop assessment of PE at St Mary's		Assessment system introduced and utilised	Staff are confident in assessing PE and Physical Activity
Evaluation Staff continued to access Champions system. Awareness of assessment raised and staff utilise more. Staff able to identify specific skills used by children and where these are replicated in alternative sports and activities.			
Develop the School grounds to offer increased physical activity and fundamental movement skill development	£5000.00	<ul style="list-style-type: none"> To improve active opportunities at break times To develop pupil's fundamental movement skills To improve provision at Before and After School Club 	Improved fundamental movement skills across the school Increase of physical activity at break times Observed PE lessons are clearly structured and organised
Evaluation	Additional resources such as crates, logs and skipping ropes provided further creative engagement and physical activity. Big Moves employed, staff trained and children able to further develop their fundamental skills. Regular sessions increased physical activity. Funds being raised to renew outdoor facilities		
Develop a Forest School embedded in physical activity Level 3 practitioner Award Equipment	£1200.00 £799.00 £500.00	<ul style="list-style-type: none"> To offer, initially, Foundation and KS1 children a Forest School education To improve social, emotional and behavioural qualities across the school To improve both gross and fine motor skills To create a love and enjoyment in outdoor physical play 	Children will enjoy and be actively involved in forest school sessions Improvement in SEBD observed Improvement in communication and language observed Outdoor skills implemented A positive contribution to children's SMSC education Children display improved social, emotional and behavioural qualities throughout the wider curriculum areas
Evaluation	Hugely successful initiative. Children with SEMH developed a range of PSE skills to support their learning both in and out the classroom. Children keen to go outside - even in poor weather. Range of equipment purchased. Level 3 practitioner undertook training.		
Overall the children's participation in a range of outdoor activities has increased across the day. Raised awareness within the staff to ensure physical aspects are developed. Children's SEMH has seen some improvements especially when approaching activities in the classroom
